Share the following normative references and principles:

- Art. 165 of the Treaty on the Functioning of the European Union (TFEU) which emphasizes cooperation between the bodies responsible for sport and the protection of the physical and moral integrity of sportsmen;
- EQF European Qualifications Framework structured in eight levels that describes knowledge / skills / competences (responsibility / autonomy), in order to make objective the assessment of the level achieved based on the learning outcomes;
- Guidelines on Fight against doping, Cultural and environmental dimension of sport, Prevention and fight against violence and intolerance in sport.

Submit my application for the sector of **General competence:**

Specific competence

whereas the application is aimed at obtaining a EurEthICS ETSIA certification of an international qualification according to the 2017 EQF Recommendations for LLL, for Education through Sport addressed to all Associated Members of ETSIA or EU Experts registered Academies and Training Centres and in order to identify the right level in the national qualifications systems (NQF), which is completed with the issue of the diploma qualification according to the relevant European and national regulatory framework and corresponding teaching licence with insurance and BLS or equivalent first aid certificate.

Confirm that all of the above included in the Peer Review Form is correct, read and accepted.

Place,

Candidate Signature.....
